

Wishing you an Iconic Christmas...

CHRISTMAS AT THE LYGON ARMS

This charming 16th century Broadway coaching inn was a key connection between Wales, Worcester and London in Elizabethan times.

Roaring open fireplaces allude to its roots dating back to the 1500's, and the Great Hall with its vaulted ceiling and original wood panelling, is now the setting for the stunning Lygon Bar & Grill.

At The Lygon Arms, you can celebrate the festive season in the very suite that Oliver Cromwell stayed in the night before the Battle of Worcester in 1651.

It's your perfect home away from home.
