# MEETINGS AND EVENTS

THE LYGON ARMS

## A VENUE FOR ANY *glorious countryside occasion*

The Lygon Arms has been hosting meetings and events for much of its 600-year history; our historical coaching inn of importance and central to the planning and plotting of both sides during the civil war that resulted in the Battle of Worcester that shaped British politics.

If only walls could talk!

Today, The Lygon Arms offers an atmospheric, cosy retreat for meetings and events. The Lygon sits in the heart of the chocolate box, quintessentially English village of Broadway - the jewel of the Cotswolds. Accessible, just two hours from London and hour from Birmingham and Bristol, making it an excellent central meeting location with ample free parking and helipad.

## MEET

Behind the 14th-century coaching inn's façade are three elegant, historical function rooms and an immaculately maintained 3-acre secret garden, offering ample space for a variety of events inside or out. Countryside pursuits, activities or experiences can be tailored to suit your time and budget. Perfect for client meetings, events, incentives or teambuilding.

## EAT

With menus created by James Martin you can experience expertly curated dishes throughout your stay from breakfast, delegate lunch to private dinner, paired with the best Champagne and wines from our specially selected partners.

## SLEEP

Our 86 unique guestrooms and suites offer all of your home comforts and are elegantly furnished, many with unique period features, illustrative of the history of the building.

Guests can enjoy the hotel facilities and grounds including The Lygon Spa which provides tranquility to relax and unwind. We have a fully air-conditioned gym with Technogym equipment for the more energetic and a 14-metre swimming pool. Poolside you will find a hot tub and communal steam room plus a sauna located in each of our changing rooms.

# EXPERIENCE

At The Lygon Arms, we can offer unique and bespoke creative experiences and activities to incentive and reward your employees, providing memorable days that beat all others in engagement and provide picture-worthy talking points for those all-important social media posts.

A selection of country pursuits can be tailored to suit your time and budget: any one of them will make an entertaining stand-alone activity or can be combined with others for an exciting multi-activity event. On site activities include archery, falconry, axe throwing, crossbow, laser clay pigeon shooting, ferret or duck racing.

Off-site our team can help arrange activities including treasure hunt, walking tours, cycling, forest walks, tree planting, shooting, quad biking and horse riding.

Or you can choose to up the ante and opt for a high end, prestigious experience such as taking a private tour of the Morgan Motorcar Factory, then have a Morgan sports car for the day to take for a spin through the countryside, experience the Cotswolds with local wine, whisky, gin or beer tasting and tour, bring history to life with interwoven corporate or personal messaging with an immersive dinner experience or sit back and enjoy a guest appearance from celebrity chef James Martin.

## FITNESS AND WELLNESS

Overnight guests can enjoy the peace and tranquillity of The Lygon Spa to relax and rewind. Pop on that soft fluffy white robe and all of the stresses start to melt away. Treatments\* are available to book in advance or on the day subject to availability.

Facilities include a 14 metre swimming pool, gymnasium, jacuzzi, steam room, sauna and a timetable of classes in the fitness studio\*.

Outside of timetabled classes, our fitness studio and PT can be hired for your event. A great way to energise your team at the beginning of the day with a wake up power or stretch session or relax at the end of a long day with Tai Chi or yoga.

# SUSTAINABILITY

The Lygon Arms are delighted to have partnered with FuturePlus, an award-winning sustainability management and reporting platform that empowers companies to understand, measure, evidence and report sustainability impact and goals.

Through this programme we have adopted a future-focused view of what makes a sustainable business, assessed across five key themes: Climate, Environment, Social, Economic and Diversity and Inclusion, measuring our current impact, what we want to achieve in the future and helping us to achieve this.

## INITIATIVES INCLUDE:

- Committing to the sensitive custodianship of the hotel and estate, maintaining and protecting the historical building and its heritage.
- Conducting all business dealings with integrity and respect to human rights, promoting safety and the highest standards of ethics and professionalism.
- A commitment to legality and a willingness to observe community values and protect the natural environment.
- Communicating our environmental and corporate social responsibility policy to all teams and managers. Developing greater awareness of the importance of implementing the strategy, including establishing annual departmental awards and nominating 'champions' within the teams to drive forward initiatives.
- Continuing to operate sound business practices which identify the financial and environmental importance of reducing waste, improving energy efficiency and conserving and recycling materials.
- To make guests visiting our property aware of our corporate social responsibility policy and the initiatives taken, and to actively seek to improve our levels of service without prejudicing our guests' enjoyment.
- To review the environmental policies of all our suppliers and actively encourage good environmental practice wherever possible.
- To continue to source local produce within the framework of good financial management without compromising on the quality of the ingredients supplied.
- To work with the environmental agencies to monitor the flora and fauna on all our estates.
- Good stewardship of the estates including the planting of native species of trees, developing wildlife habitats and minimising our environmental impact on the areas of special interest.
- To actively lobby against any activities which could prejudice the harmony and amenity of the environment and community locally.
- To work with schools and colleges to promote initiatives to train and develop skills amongst their students and to take part in national and international training initiatives that support good practice, service and environmental awareness.
- To work with nominated local charities and organisations to assist in their fundraising and environmental awareness campaigns when possible.
- To encourage clients using the meeting and conference facilities within Iconic Luxury Hotels' properties to participate in local schemes that 'give-back' to the community, including clean-up campaigns, working on projects for schools and community schemes.

## HEART OF ENGLAND FOREST

The Heart of England Forest is an exciting and ambitious charity. Helping to reverse centuries of woodland decline they are dedicated to planting and protecting a magnificent 30,000-acre forest stretching through Warwickshire and Worcestershire benefitting the environment, wildlife, and people. As a Forest Champion The Lygon Arms offers a special opportunity to reconnect with nature in this magical place. Each day delegate rate at The Lygon Arms helps us to champion established trees in a publicly accessible part of the forest. We provide the event organiser with a Tree Champion certificate, a location map to the forest, and a 'what3words' reference so you can visit the trees that The Lygon Arms are rooting for.

You have the option for your group to attend a volunteering day\* in the Heart of England Forest. This would include volunteering work (either tree planting or maintaining the existing woodland depending on the time of year) and a short, guided walk with one of the volunteering team or enjoy workshops where delegates will learn traditional and sustainable techniques in willow weaving, ceramics, wood carving and needle felting, whilst helping to grow a greener future for the benefit of generations to come.
