

THE LYGON ARMS

A WARM *woofy welcome* TO YOU

Our four-legged visitors are most welcome at The Lygon Arms.

Explore and relax in the public areas and outdoor spaces (with exception of the Grill restaurant and the Lygon Spa).

Dog treats are at hand throughout the hotel as well as water bowls and fresh water.

Our Concierge team can provide 'walkies' routes to make the most of your Cotswold adventure and our muddy paws station is located in the Courtyard, perfect for washing down in warm water on your return.

WE WISH YOU A PAW'SOME STAY

DINE IN STYLE WITH OUR DOG MENU ALL DAY

DOG POLICY

We are delighted to welcome dogs to The Lygon Arms, one of the Cotswolds most dog friendly hotels! To ensure a relaxing and enjoyable experience for all our guests, both two-legged and four-legged, we kindly ask you to observe the following guidelines:

Dog Eligibility: Dogs should be at least 1 year old, and be vaccinated against Rabies.

Where Your Dog Can Go: Dogs are welcome throughout the grounds, in the Hotel Lobby, Lounges, The Russell Room, the Tavern and Courtyard. For the comfort of all guests, they are not permitted in the Grill restaurant or the Lygon Spa. Please note, dogs are not permitted on furniture in the lounges or bedrooms.

Leash Policy: Dogs must be kept on a lead when in public areas or within the grounds. Dogs are the full responsibility of their owners and should be well behaved.

Leaving Your Dog: Please be aware that our team is unable to service your room while your dog is inside. To help us look after both you and your pet, please place the signage on your door whenever your dog is in the room.

We are very happy for your dog to remain in the bedroom while you enjoy the hotel facilities. We kindly ask that you confirm your contact details and always remain contactable so we can reach you if your dog becomes unsettled and needs your attention as you will be required to be available should this happen.

If you plan to leave the hotel grounds, we kindly ask that your dog accompanies you.

Cleanliness and Responsibility: Guests are responsible for cleaning up after their dogs in the grounds. Waste disposal bins are conveniently located around the property. If your dog fouls inside any area of the hotel you will be required to pay a housekeeping cleaning charge of £100. There will be a cleaning charge applied if your dog has an upset stomach and if there is a 2nd instance, we will have to ask you to remove your dog from the hotel.

Damage and Deep Cleaning: You are liable for any damage caused by your dog within the Hotel grounds, public areas and bedrooms and may be charged for repairs or deep cleaning if necessary.

An additional night's stay may be applied if deep cleaning is required. As owner you are fully responsible for your dog(s) on the property including any injuries suffered by the pet as well as any damages including personal injury to the hotel, team members, other guests, third parties or property.

Additional Charge: A fee of £30.00 per dog per day will be added to your bill. This includes a welcome pack, a comfortable dog bed and a bowl.

I, the undersigned, declare that I have read and agree to be bound by the Regulations for staying with my pet at The Lygon Arms.
