THE LYGON ARMS

Say "I do"

IN THE COTSWOLDS

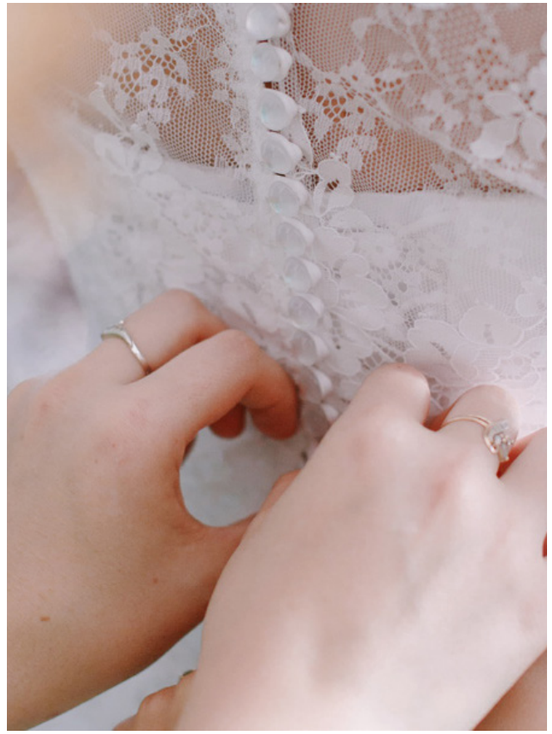

SAY ‘I DO’ IN THE COTSWOLDS

Plan your quintessential countryside wedding at The Lygon Arms. Our 16th-century building has a wealth of period features, making it the pinnacle of romance. Open roaring fires, Cotswold stone and wood-panelled walls set the scene for a beautiful countryside wedding.

Mark your special day, your way

A wedding is unique to you...

Walking down the aisle is one of the most important moments of your life. We want your special day to be a truly memorable celebration at The Lygon Arms.

Nestled in the idyllic Cotswolds village of Broadway, The Lygon Arms is steeped in history with its roots dating back to the 16th century. Today, The Lygon Arms displays a timeless design and offers the highest standards of service, gastronomy and comfort whilst honouring the history that makes The Lygon Arms unique.

Sustainability

The Lygon Arms are delighted to have partnered with FuturePlus, an award-winning sustainability management and reporting platform that empowers companies to understand, measure, evidence and report sustainability impact and goals.

Through this programme we have adopted a future-focused view of what makes a sustainable business, assessed across five key themes: Climate, Environment, Social, Economic and Diversity and Inclusion, measuring our current impact, what we want to achieve in the future and helping us to achieve this.

INITIATIVES INCLUDE:

- Committing to the sensitive custodianship of the hotel and estate, maintaining and protecting the historical building and its heritage.
- Conducting all business dealings with integrity and respect to human rights, promoting safety and the highest standards of ethics and professionalism.
- A commitment to legality and a willingness to observe community values and protect the natural environment.
- Communicating our environmental and corporate social responsibility policy to all teams and managers. Developing greater awareness of the importance of implementing the strategy, including establishing annual departmental awards and nominating 'champions' within the teams to drive forward initiatives.
- Continuing to operate sound business practices which identify the financial and environmental importance of reducing waste, improving energy efficiency and conserving and recycling materials.
- To make guests visiting our property aware of our corporate social responsibility policy and the initiatives taken, and to actively seek to improve our levels of service without prejudicing our guests' enjoyment.
- To review the environmental policies of all our suppliers and actively encourage good environmental practice wherever possible.
- To continue to source local produce within the framework of good financial management without compromising on the quality of the ingredients supplied.
- To work with the environmental agencies to monitor the flora and fauna on all our estates.
- Good stewardship of the estates including the planting of native species of trees, developing wildlife habitats and minimising our environmental impact on the areas of special interest.
- To actively lobby against any activities which could prejudice the harmony and amenity of the environment and community locally.
- To work with schools and colleges to promote initiatives to train and develop skills amongst their students and to take part in national and international training initiatives that support good practice, service and environmental awareness.
- To work with nominated local charities and organisations to assist in their fundraising and environmental awareness campaigns when possible.
- To encourage clients using the meeting and conference facilities within Iconic Luxury Hotels' properties to participate in local schemes that 'give-back' to the community, including clean-up campaigns, working on projects for schools and community schemes.

FUTUREPLUS

The Heart of England Forest is an exciting and ambitious charity. Helping to reverse centuries of woodland decline they are dedicated to planting and protecting a magnificent 30,000-acre forest stretching through Warwickshire and Worcestershire benefitting the environment, wildlife, and people. The Lygon Arms champion established trees in a publicly accessible part of the forest. Our gift to you to celebrate your wedding is a personalised tagged tree commemorating your special day and growing together forever to leave a meaningful legacy for future generations.

To celebrate your special occasion, we're gifiting you a personalised tagged tree commemorating your special day, the perfect way to grow together forever and leave a meaningful legacy for future generations.
