LYGON

SPA

BECOME A MEMBER OF OUR CLUB AND BELONG TO SOMETHING SPECIAL

The Lygon Spa is a relaxed hideaway providing a warm oasis for all to escape and unwind in tranquillity with indulgent treatments, an indoor swimming pool, and a fully equipped fitness centre.

Your membership gives you full use of the spa facilities, access to The Lygon Arms hotel and restaurants, a diverse range of private members events, as well as preferential rates across the Iconic Luxury Hotel group.

Situated in the charming Cotswolds village of Broadway, The Lygon Arms is a historic coaching inn with roots dating back to the 14th century. Steeped in fascinating history, it has been host to royalty as well as notable rebellious figures throughout the centuries. Staying true to its roots, the hotel's traditional honeyed walls promise a warm welcome. Expect roaring log fires in our cosy lounges, fantastic feasts curated by James Martin, a relaxing spa and glorious guestrooms including the famous Charles I suite.

The Lygon Arms is proud to be a part of Iconic Luxury Hotels - an eclectic collection of unique properties, with personalities as distinctly individual as the guests. Distinguished, authentic and intriguing, they include quintessentially British country houses, a 19th-century boutique hotel, a coaching inn, a high-end neighbourhood townhouse and breath-taking international hotels and coastal resorts.
