A JOURNEY WITH FOOD

*"This is a living, breathing thing – we want to take the guest on a journey with food.
The Lygon Arms has such an amazing history and I am thrilled to be part of this journey."*

BIRCHALL TEA

Birchall is a British tea company with a rich heritage dating back to 1872, when Birchall Graham first planted tea in Darjeeling.

Since 2011, they have won a total of 91 Great Taste Awards, and their flagship Great Rift Breakfast Blend is the UK's most awarded tea for taste, winning the prestigious award for a record 13 consecutive years.

All Birchall teas are 100% carbon neutral, and packed in their solar-powered tea factory - the first of its kind in Great Britain.
